Dear Mr. Marega:-

Until I received your note this morning I was under the impression that the selection of Chief Maquinna completed the subjects for the statuary in the new Provincial Library. According to my record the statues so far selected are as follows:-

- | | |
|------------------------------|---|
| 1. Sir Francis Drake. | 8. Doctor John McLoughlin. |
| 2. Captain James Cook. | 9. Sir James Douglas. |
| 3. Captain George Vancouver. | 10. The Honourable John Sebastian Helmcken. |
| 4. Chief Maquinna. | 11. Sir Matthew Baillie Begbie. |
| 5. Sir Alexander Mackenzie. | 12. Lord Lytton. |
| 6. Simon Fraser. | 13. Sir Anthony Musgrave. |
| 7. David Thompson. | 14. General Moody. |

Of course I shall send another subject immediately as I wish to expedite the work in every possible way.

I am,

Very faithfully yours,

E. O. S. Scholefield
Provincial Librarian.
