Legislative Assembly of British Columbia
Constituency Office Funded Expenses
Paid in the period April 1, 2016 to September 30, 2016 [Note 1]
ACCOMPANYING NOTES

Constituency Office Funding

Members of the Legislative Assembly are provided with an annual budget to cover the costs associated with operating and staffing constituency offices. Constituency office funding is deposited monthly to a Member's constituency office bank account. The amount deposited is net of constituency office salary and benefits, which are administered centrally by the Legislative Assembly. The total constituency office allowance is \$119,000 per year. In addition, constituency offices in non-urban ridings are provided with an annual travel allowance to cover costs incurred by office staff while travelling on a Member's behalf within the constituency. This allowance is intended to cover travel expenses, such as mileage, taxis, hotels and meals. The annual travel allowance payment is made once per fiscal year. Constituency assistants in urban ridings are reimbursed for out-of-pocket work-related travel expenses from the constituency office allowance.

Constituency Office Expenses

Certain constituency office expenses are paid directly by a Member using the annual funding provided, while other expenses are paid directly by the Legislative Assembly. The information contained in this report refers only to those constituency office expenses paid directly by a Member which includes the use of the annual constituency allowance of \$119,000 and the use of the annual in-constituency travel allowance. Because the constituency office allowance amounts are reported on a cash basis, and constituency offices have the ability to carry-forward unspent balances from prior years, some offices may report amounts in excess of the \$119,000 annual amount. When a Member is no longer an MLA, any remaining unused funds are to be returned to the Legislative Assembly. Notes 2 through 7 provide definitions for each of the expense categories listed in the report. Information on Constituency Office funding and expenses can be found in *the Members' Guide to Policy and Resources* (website: <http://members.leg.bc.ca>)

Note 1 Basis of Accounting

This report has been prepared on the cash basis of accounting whereby expenses are recorded when cash is actually received or paid out.

Note 2 Office Administration

This expense category includes constituency staff salary and certain benefits (e.g. Medical Services Plan, Extended HealthCare), WCB insurance, staff professional development, and conference and registration fees.

Note 3 Special Events and Protocol

This expense category includes non-partisan special events hosted by the Member in their constituency, community events, and may include the purchase of small items, such as flags or pins.

Note 4 Communications and Advertising

This expense category allows Members to provide information to their constituents including information on constituency office services and contact information. Expenses may include newspaper ads, householders, brochures, signage, inserts in special event programs, subscriptions and memberships.

Note 5 Office Supplies

This expense category includes stationery supplies in excess of those provided centrally, postage, courier expenses, other minor office equipment/furniture purchases.

Total constituency office related expenses paid directly by the Legislative Assembly on behalf of all Members, for the period April 1, 2016 to September 30, 2016 is \$3.1 million. These centralized costs do not form part of the \$119,000 constituency office annual allowance.
