Constituency Office Funded Expenses

Paid in the period April 1, 2018 to March 31, 2019 [Note 1]

ACCOMPANYING NOTES

Constituency Office Funding

Members of the Legislative Assembly are provided with an annual budget to cover the costs associated with operating and staffing constituency offices. The annual constituency office allowance budget is \$137,700 and is pro-rated in election years. The annual constituency office allowance is adjusted annually based on the change in the BC Consumer Price Index (BC CPI).

In addition, constituency offices in non-urban ridings are provided with an annual travel allowance to cover costs incurred by office staff while travelling on a Member's behalf within the constituency. This allowance is intended to cover travel expenses, such as mileage, taxis, hotels, and meals. Constituency assistants in urban ridings are reimbursed for out-of-pocket work-related travel expenses from the constituency office allowance.

After a provincial general election or by-election, new Members and returning Members are provided with one time start-up funding in the amount of \$2,000 and \$1,000, respectively, in order to cover costs associated with setting up a constituency office.

The constituency office allowance amounts are reported on a cash basis, and constituency offices have the ability to carry-forward unspent balances from prior years. As a result, some offices may report amounts in excess of the annual allowances. Former Members have to return any remaining unused funds to the Legislative Assembly. Notes 2 through 7 provide definitions for each of the expense categories listed in the report. Information on constituency office funding and expenses can be found in the Members' Guide to Policy and Resources website at <http://members.leg.bc.ca>.

Constituency Office Expenses

The information contained in this report refers only to those constituency office expenses paid for using the annual constituency allowance of \$137,700, the annual in-constituency travel allowance, and the start-up allowance.

Some constituency office expenses are paid from a central budget and are not included in this report. These expenses include the rental of constituency office space and other constituency office expenses, such as insurance, telecommunications, photocopier charges, basic internet, cable services, personalized stationery and supplies, and the constituency office portion of certain benefits for constituency assistants (e.g. employment insurance, Canada Pension Plan and public service pension). The Legislative Assembly also provides each Member with computers, telecommunications, and photocopier equipment for their constituency office. Equipment is upgraded after each general election. Total constituency office related expenses paid from the central budget, for the period April 1, 2018 to March 31, 2019, was \$7.1 million.
