MLA Travel Expenses (unaudited)
Paid in the period April 1, 2023 to June 30, 2023 [Note 1]
ACCOMPANYING NOTES

- Note 1 This report provides details of travel costs that have been processed and paid in the period. It does not include travel costs where the travel expense claim has not been submitted for processing, or where the travel claim is in the process of being paid. Travel costs may not include all credits or reimbursements resulting from travel that is cancelled or subsidized by third party entities due to timing differences.
- Note 2 **Capital City Living Allowance - Selected Option and Accommodation**
Members from outside the Capital Regional District are paid an allowance to cover their accommodation costs while in Victoria. There are a number of options available to Members depending on whether they choose to rent, own a second residence, or stay in hotels. The allowance is subject to annual maximums depending on the option selected. The allowance for Members who rent, where expenses are supported by receipts, is capped at \$24,374 per year (Option 1). The allowance for Members who own, where expenses are supported by receipts, is capped at \$24,374 (Option 2). For Members who choose hotel accommodation, the annual cap is \$21,452 where expenses are supported by receipts (Option 3).
Members who make other arrangements, or who do not provide receipts, may opt for a flat rate living allowance of \$1,000 per month or \$12,000 per year (Option 4). Effective January 1, 2019, this option is eliminated. Those Members who were on this option prior to January 1, 2019 can keep this option for the duration of their uninterrupted term as a Member. This allowance became taxable effective January 1, 2019. The option chosen by a Member is in effect until their living arrangements change, at which time the Member can submit a new form to change their option.
- Note 3 **Capital City Living Allowance - Per Diem**
Members are paid a daily per diem rate of up to \$61 while in Victoria or when traveling throughout the province on Legislative Assembly business. A per diem is not claimable when a Member is working in their constituency, except when attending a parliamentary committee meeting in their riding or if the Member travelled more than 50 kilometers in one day (excluding mileage between the Member's home and primary constituency office).
- Note 4 **Members' Travel Expense Allowance**
A Members' Travel Expense Allowance of \$6,000 per fiscal year is provided to Members, payable in quarterly installments of \$1,500, with deductions for tax held at source. This allowance is meant to cover out-of-pocket travel expenses incurred that are not otherwise reimbursable, including but not limited to mileage, taxis, parking, public transit, and meal costs within the Member's constituency.
- Note 5 **In-Province Travel**
Members may undertake work-related travel throughout the province, provided the travel is reasonable and justifiable. Eligible types of travel may include trips to Victoria, travel to attend meetings inside and outside of the constituency, or travel with a parliamentary committee. Please see the Members' Guide to Policy and Resources for a complete list eligible travel costs, including air fare, accommodation, mileage, and per diems. There is no cap per annum subject to the requirement that all travel must be Member business related.
This expense category also includes travel within the Province for Members of Cabinet (Ministers and Ministers of State). These expenses are managed and paid for by the respective Ministries or the Ministry of Finance, and not the Legislative Assembly. Travel costs for Members of Cabinet reflect the amounts disclosed on the Province of British Columbia website at <http://www.openinfo.gov.bc.ca/ibc/index.page>.
- Note 6 **Accompanying Person Travel**
Members are allocated up to 12 trips per fiscal year to be used by an accompanying person. An accompanying person is typically a family member.
- Note 7 **Out of Province Travel**
Members may on occasion be required to travel outside the province on official business, such as attending Commonwealth Parliamentary Association conferences. Any travel outside the province requires prior written approval by the Speaker to be eligible for reimbursement. Members can claim reasonable, out-of-pocket expenses relating to travel, including: air fare; ferry costs; mileage when using a private vehicle consistent with allowable rates car rentals; bus or transit fare; accommodation; parking; and taxis.

MLA Travel Expenses (unaudited)

Paid in the period April 1, 2023 to June 30, 2023 [Note 1]

ACCOMPANYING NOTES

Note 8 Out of Province/Country Travel - Ministerial

This expense category is for out-of-province/out-of-country travel for Members of Cabinet (Ministers and Ministers of State). These expenses are managed and paid for by the respective ministries or the Ministry of Finance, and not the Legislative Assembly. Travel costs for Members of Cabinet reflect the amounts disclosed on the Province of British Columbia website at <http://www.openinfo.gov.bc.ca/ibc/index.page>.

Note 9 Committee Travel

Parliamentary Committees Members' travel is not included in this report of Members' travel expenses. A majority of the travel expenses in this category are initiated and paid by the Parliamentary Committees Office on behalf of Committee Members for meetings held in Victoria or in other locations. Total Parliamentary Committee travel expenses paid for individual Committee Members for April 1, 2023 through June 30, 2023 is \$66,951.66. Further details on Members' committee related travel costs can be found on the *Parliamentary Committee Members' Travel Expense Summary*.

Note 10 Receipts

Members' travel receipts are available on the Legislative Assembly of British Columbia website at <https://www.leg.bc.ca/Members-Disclosure-and-Receipts>. For Members of Cabinet (Ministers and Ministers of State), most travel expense claims are processed by the Ministry of Finance and this information is available on the Province of British Columbia website at <http://www.openinfo.gov.bc.ca/ibc/index.page>. Occasionally, however, Members of Cabinet may need to submit travel expense claims (e.g. for Accompanying Person travel) to the Legislative Assembly of BC and in these cases redacted receipts will be included with the disclosure reports.

GST input tax credits are not included in the amounts of the travel expenses in this report and therefore, the amounts of the travel expenses in receipts do not agree to the amounts of the travel expenses in this report.
