

MANGO LANGUAGES

MANGO is an online language-learning tool that teaches conversation skills in over 70 languages. Courses include both conversation & grammar goals. ESL courses are also available.

SIGN UP FOR AN ACCOUNT

1. Go to [Mango](#) or access it through this link on the Legislative Library website: [E-Resources for MLA's and Assembly Staff](#) (click 'Language Learning', then 'Mango').
2. To make an account, click 'Create One' near the bottom of the page and fill out the sign up form. If there is no link to create an account, contact the Library and we can do it for you. (You need to use an Assembly desktop computer to set up an account.)
3. An activation email will be sent to your email account. It may go to your junk mail or spam filter, so check there if you don't receive an email. Open the email and click the link.
4. You will be sent a confirmation email. Open the link and enter your email and password. Now you're ready to start using Mango!

USING MANGO

1. Mobile: Download the Mango Languages Library Edition app. Free apps for iOS and Android are available: [Apple App Store](#) or [Google Play](#)
2. From Home: Once you have set up your account at work, forward the link sent in your confirmation email to your home email account. You will be able to use that link to open your account from home or anywhere else.

SYSTEM REQUIREMENTS

1. Speakers or headphones. Microphone optional.
2. Mango is compatible with all browsers but it is recommended to use the most updated version of Firefox, Google Chrome or Internet Explorer.
