¹ This should include all the recommendations listed in the Office of the Auditor General (OAG) report unless previously assessed as fully or substantially implemented. (i.e. only outstanding recommendations need to be reported).

² This action plan and their subsequent updates have not been audited by the OAG. However, at a future date that Office may undertake work to determine whether the entity has fairly and accurately represented their progress in addressing the recommendations. The results of that work will be reported in a separate report prepared by the OAG.
