1.	We recommend that the Government of British Columbia report publicly each year on how its programs and initiatives are meeting the intent of the Missing Women Commission of Inquiry's recommendations.	The province has accepted the recommendation of the Office of the Auditor General and has committed to resuming annual public reporting on actions taken on the Missing Women Commission of Inquiry's recommendations.	By early 2018	In progress	Progress is currently underway to release the next annual status update on the Missing Women Commission of Inquiry recommendations by early 2018.

**Prepared by: Taryn Walsh**

<sup>1</sup>The Select Standing Committee on Public Accounts (PAC) will request an update (i.e Assessment of Progress and Actions Taken column completed) on a yearly basis from the audited organization until all recommendations are fully implemented or otherwise addressed to the satisfaction of the PAC.

<sup>2</sup> This action plan and their subsequent updates have not been audited by the OAG. However, at a future date that Office may undertake work to determine whether the entity has accurately represented their progress in addressing the recommendations. The results of that work will be reported in a separate report prepared by the OAG.
