WestJet permits one piece of carry-on baggage and one personal item on board. If you are on a flight operated by one of our partners, your allowance may be different - learn more. All carry-on baggage must pass through security. Make sure your carry-on complies and avoid having to surrender your personal items. Review what you can - and can't - take on your flight by visiting our restricted items info page or catsa.gc.ca.

Your checked baggage allowance depends on the aircraft you are travelling on, the fare option purchased and the destination you are travelling to or from. You may be permitted additional items, or items that are overweight or oversized in checked baggage. For more details, please see Checked and excess baggage.

Use web check in to print your boarding pass and select your seat for free. This service is available as early as 24 hours (and up to 60 minutes) before your scheduled flight. Selecting some seats requires a fee.

You may carry onboard items which fall within the two (2) piece carry-on allowance: one (1) carry-on bag or suitcase (wheels and handles included in the size) and one (1) personal article such as a briefcase, laptop computer, diaper bag, camera case, cartons or other similar item. It is recommended that documents and medication be packed in your carry-on baggage. All prescription medications must be properly labelled with the names of the patient, the medication and the issuing medical office or pharmacy.

For safety reasons, dangerous goods must not be packed in checked or carry-on baggage, except as specifically permitted. Dangerous goods \* include, but are not limited to compressed gases (e.g. oxygen bottles or tear gas), corrosives, explosives (e.g. fireworks), flammable liquids and solids (e.g. paints and lighter fluid), radioactive materials (e.g. radio-pharmaceuticals), oxidizing materials, poisons, infectious substances and briefcases with installed alarm devices. For security reasons, other restrictions may apply. Please refer to the [Security Requirements and Dangerous Goods](#) page for more information.
