Fare Rules Summary

- Air Canada will cancel any purchased ticket and provide a full refund without penalty up to 24 hours after purchase. Beyond 24 hours, voluntary changes to your itinerary may require the payment of additional fees and fare upgrades. If you are travelling on a non-refundable ticket, we won't be able to make exceptions in the event of an unexpected trip cancellation or medical emergency. We recommend the purchase of travel insurance.
- Tickets are non transferable.
- Seat selection charges are per passenger and apply to each individual one-way flight segment in your itinerary. Flight segments are identified by a change in flight number, with each new flight number representing a flight segment. Taxes are not included.

Seat Assignment and Flight Confirmation

- Please note that you may be moved from your selected seat without notice in the event of an involuntary schedule or airport change (e.g. flight disruption, cancellation), to accommodate a passenger with a disability, to ensure a child is seated with a parent, guardian or tutor, or for any other reason that requires Air Canada to move you prior to departure or during the flight. If you are moved from your seat for one of these reasons, you may request a refund for your seat charges. We invite you to read additional terms and conditions related to seat selection.
- Flight schedules are subject to change. While we make every attempt to notify passengers of changes to the itinerary, it is imperative that you reconfirm your own flights prior to departure. It is strongly recommended that you provide us with an e-mail address for flight schedule change notification. You should monitor this e-mail for changes to your itinerary, both before departure and while at your destination.

Please read important information and notices regarding Air Canada's general conditions of carriage.
